ORGANIC NUT BUTTERS

We think we have just about the best range of organic nut butters in the UK!

- they are all gluten-free
- all have no added sugar
- all have no added salt
- all can be stored without refrigeration until they are opened
- and all are vegan

Many are Raw : Cool milled below 44°C from unroasted nuts,
Most are packed in 170g, and the suggested retail prices are shown below,
though these may vary slightly from shop to shop.

All are available from all major UK organic wholesalers, and the shops they supply.

Raw Organic Nut Butters

Raw Almond Butter-

£5.45 250g

Cool milled below 44 °C from unroasted Spanish almonds, no added oil, no added salt.

Raw Apricot Kernel Butter -

£3.75 170g

Cool milled below 44 °C from raw Turkish Sweet Apricot Kernels, with added raw Bolivian brazils, and a little cold-pressed sunflower oil. A rich source of "B17" (not really a B vitamin!) also called Laetrile, so best to eat not more than 20g per day

Raw Brazilnut Butter -

£3.85 170g

Cool milled below 44 °C from just raw brazil nuts from Bolivia, no added oil, no added salt.

Raw Macadamia Nut Butter -

£6.95 170g

Cool milled below 44 °C from just raw macadamia nuts from Queensland Australia no added oil, no added salt.

Raw Pecan Nut Butter -

£5.65 170g

Cool milled below 44 °C from unroasted South African, or USA pecan nuts, and a little cold-pressed sunflower oil, no added salt.

**Raw Rainforest Nut Butter -**

£4.45 170g

Cool milled below 44 °C from Cashews, raw macadamias, raw brazils, no added oil, no added salt.- no peanuts! The cashews we use are from a fair trade project in Burkina Faso. They are shelled using a fan assisted solar machine which operates at not over 60 °C . We have yet to find really “raw” organic cashews. The process of hand shelling is very unpleasant due to the acrid Cashew Nut Shell Oil (CNSO) which affects the eyes, nose, and respiratory tract. So we prefer to use the nuts from the project in Burkina Faso.

**Raw Walnut Butter -**

£3.95 170g

Cool milled below 44 °C from unroasted Indian Walnuts, no added oil, no added salt.

**Raw White Almond Butter -**

£3.75 170g

Cool milled below 44 °C from unroasted, mechanically hulled, Spanish almonds, and a little cold-pressed sunflower oil no added salt.

Roasted Organic Nut Butters

£3.75 170g

**Almond Butter -**

Made from whole toasted Spanish almonds, no added oil, no added salt.

**Cashewnut Butter -**

£3.55 170g

Made from toasted cashewnuts with a little added cold-pressed sunflower oil, no added salt.

**Hazelnut Butter -**

£3.95 170g

Made from whole toasted Turkish hazelnuts, Cool milled below 44 °C from unroasted Spanish almonds, no added oil, no added salt.

**Mixed Nut Butter-**

£3.75 170g

Just hazels, almonds, and brazils. No added oil, no added salt.

**Peanut Butter -**

£2.35 250g

No palm fat, just lightly roasted peanuts! No added oil, no added salt.

ORGANIC HUMMUS

One of our long standing ranges, made almost every week since the 1980s! Our hummus now comes in three varieties, and are all made using organic Turkish chickpeas, cold-pressed organic extra virgin olive oil, organic tahini, organic lemon juice, organic wine vinegar, organic garlic, and a little touch of sea salt.

They can be used as spreads or dips. They can be made more “dip-able” by blending in a little water.

All three hummuses are long life products that are stored chilled. Once opened our hummus should be used in ten days or so.

- they are all gluten-free
- all have no added sugar, and no colourings, or citric acid chemical preservative
- all have just a very little added salt
- all must be stored refrigerated
- and all are vegan

They are packed in 300g size. Suggested retail prices are shown below, though these may vary slightly from shop to shop. Each jar gives a dozen or so good servings.

Available from most major UK organic wholesalers, and the shops they supply.

Hummus - £2.55 300g

ORGANIC PESTO

Another long standing range, made each summer from herbs grown on various organic farms in Cornwall and Devon. Most of our current stocks of pesto have been made from basil and rocket from Bickham Farm in the South Hams. Where we use salt it is from Cornish Sea Salt on the Lizard peninsula close to the famous Helford River and the romantic Frenchman's Creek. They are often served with pasta, but try them on roasted vegetables just at the end of cooking.

All pestos are long life products that are stored chilled. Once opened our pestos should be used in a month or two.

- they are all gluten-free
- all have no added sugar
- all have just a very little added salt
- all must be stored refrigerated
- and all are vegan

They are packed in 160g, 180g for the red pesto. Suggested retail prices are shown below, though these may vary slightly from shop to shop. Each jar gives a dozen or so good servings.

All are available from most major UK organic wholesalers, and the shops they supply.
